PO Box 1450
Alexandria, VA 22313-1450

Sir:

A new Power of Attorney was filed in the matter of the subject application on January 12, 2009, per copy attached. The Power of Attorney revoked all previous powers of attorney and changed the correspondence address of record to that of the undersigned representatives of the Applicants. A copy of a postcard receipt for the Power of Attorney bearing the stamp of the Office of Initial Patent Examination and dated January 12, 2009 is attached as well.

A final Office Action, which set a three month period for response, was subsequently mailed to the previous correspondence address on June 10, 2009. A copy of the cover sheet of the final Office Action is attached, showing the correspondence address of the previous representatives of the Applicants. The undersigned representative of the Applicants first learned of the mailing of the final Office Action during a phone call from the Examiner on December 11, 2009, too late to respond to the final Office Action within the statutory period for a response.

The Applicants request respectfully that the final Office Action be re-sent to the undersigned representative of the Applicants, and the statutory period for a response be restarted from the date the final Office Action is re-sent.
